

Count objects using one-to-one correspondence

YEAR 1 MATHS | AUTUMN WEEK 1, DAY 2 | PRE-TEACH: SMALL-GROUP PREPARATION

Name: _____

Date: _____

1. Say and point: count, touch, move, once, altogether.

2. Count three counters in a line.

3. Why do we move each counter?

4. What does the last number tell us?

5. Count five objects and show the numeral.

Check: I used objects, pictures or words to show my thinking.
