

Represent numbers 0 to 5

YEAR 1 MATHS | AUTUMN WEEK 1, DAY 3 | HIGHER CHALLENGE WORKSHEET

Name: _____

Date: _____

1. Create three different representations of 5.

2. Can 0 be represented? Show and explain.

3. Draw two representations that look different but both show 3.

4. Which matters when representing a number: object size or object count? Explain.

5. Invent a symbol and use it exactly four times to represent 4.

Check: I used objects, pictures or words to show my thinking.
