

# Sort objects into groups

YEAR 1 MATHS | AUTUMN WEEK 1, DAY 1 | EXPECTED WORKSHEET

Name: \_\_\_\_\_

Date: \_\_\_\_\_

1. Sort: red triangle, blue circle, red square, blue star. Write the two colour groups.

2. Sort the same objects by shape. Can any objects share a group?

3. A yellow square is in the circle group. Is it correct? Explain.

4. Draw four objects that could be sorted into two colour groups.

5. Write your sorting rule in a full sentence.

Check: I used objects, pictures or words to show my thinking.
