

Count and represent 6 to 10

YEAR 1 MATHS | AUTUMN WEEK 2, DAY 1 | EXPECTED WORKSHEET

Name: _____

Date: _____

1. Represent 6 using dots, tally marks and a ten frame.

2. Count nine objects in a scattered set. Write the numeral.

3. Complete: 7 counters and 2 more counters make __ counters.

4. Draw a representation of 10 that is not a ten frame.

5. Mia says eight counters show 9. Explain her mistake.

Check: I used objects, pictures or words to show my thinking.
