

Count and represent 6 to 10

YEAR 1 MATHS | AUTUMN WEEK 2, DAY 1 | PRE-TEACH: SMALL-GROUP PREPARATION

Name: _____

Date: _____

1. Say and point: count, represent, quantity, six, seven, eight, nine, ten.

2. Count six counters. What is the total?

3. Add one counter to 6. How many now?

4. Which number comes after 8?

5. Show 10 on a ten frame.

Check: I used objects, pictures or words to show my thinking.
