

# Find one less within 10

YEAR 1 MATHS | AUTUMN WEEK 2, DAY 5 | HIGHER CHALLENGE WORKSHEET

Name: \_\_\_\_\_

Date: \_\_\_\_\_

1. A number becomes 6 when one is removed. What was the number? Explain.

2. Find the mistake: one less than 9 is 7. Correct it in two ways.

3. Write all one-less facts with starting numbers from 7 to 10.

4. Explain how one less than 8 and one more than 6 are connected.

5. Create a one-less story whose answer is 8.

Check: I used objects, pictures or words to show my thinking.
