

Place numbers on a 0 to 10 track

YEAR 1 MATHS | AUTUMN WEEK 2, DAY 3 | HIGHER CHALLENGE WORKSHEET

Name: _____

Date: _____

1. A number is after 6 and before 8. Prove which number it is.

2. Correct this track: 5, 6, 8, 7, 9, 10.

3. Which number is two positions after 6? Explain each move.

4. Find every number greater than 6 and less than 10.

5. Create a number-track clue whose answer is 9.

Check: I used objects, pictures or words to show my thinking.
