

Read and write numerals 6 to 10

YEAR 1 MATHS | AUTUMN WEEK 2, DAY 2 | EXPECTED WORKSHEET

Name: _____

Date: _____

1. Write numerals 6 to 10 in order.

2. Read and write these in words: 7 and 10.

3. Match 6, 8 and 9 to sets with the same quantities.

4. Complete: six = __, nine = __, ten = __.

5. Circle and correct the reversed numeral in a set of examples.

Check: I used objects, pictures or words to show my thinking.
